Starting off with the **Smaller Things**, Poacher's Arms knows how to make every appetizer count. The Mac n' Cheese Bites are golden, gooey pockets of happiness that deliver nostalgia with every crunch. Then there are the Cauliflower Bites (PB, GF)* - perfectly seasoned, crisp on the outside, and tender inside - a plant-based option that even meat lovers rave about. For something tangy and fun, the Fried Pickle Spears (PB, GF)* hit all the right notes, pairing beautifully with an ice-cold pint. And let's not forget the Soft Pretzel with Cheese Sauce (V, PB)*, which feels like the ultimate comfort snack: warm, salty dough dipped in creamy, dreamy cheese.

Moving on to the **Bigger Things**, this section is all about indulgence and satisfaction. The Chicken Wings (1lb) are an undeniable favorite - juicy, crispy, and customizable with your choice of sauces. Then there's the Loaded Fries (V/GF*), which arrive piled high with all the good stuff: melted cheese, green onions, and savory toppings that turn simple fries into a feast. The *Mac n' Cheese (V, GF)* brings the perfect balance of creaminess and comfort, while the Fingers and Fries combo delivers that nostalgic pub meal everyone secretly loves. For something shareable yet satisfying, the Personal Nacho (V, GF)* layers gooey cheese, salsa, and jalapeños over crisp tortilla chips - a true crowd-pleaser.

The **Things on Bread** category is where Poacher's Arms really shines in its pub heritage.
