The menu at Famoso Italian Pizzeria - Waterloo at 15 King St S offers an inviting blend of traditional Italian comfort and modern flavors. The **Pizza Margherita** stands out with its perfectly blistered crust, fresh mozzarella, and fragrant basil-a true classic that sets the tone for the rest of the meal. For those seeking something refreshing to start, the **Bruschetta** delivers crisp bread topped with ripe tomatoes and a drizzle of olive oil, while the **Olives** make for a simple yet flavorful appetizer.

Moving to the main selections, the **Abruzzo Pizza** impresses with its rich, savory toppings, while the **Pizze Bianche White Pizzas** offer a creamy alternative that highlights the restaurant’s versatility in pizza crafting. The **Italian Margherita Pizza** adds a subtle twist to the original, boasting a well-balanced tomato base and gooey cheese. For pasta lovers, the **Lasagna** layers melt-in-your-mouth noodles with hearty meat sauce and creamy béchamel, and the **Chicken Parmesan Spaghetti Pomodoro** delivers a comforting harmony of crispy chicken, tangy tomato sauce, and al dente spaghetti.

The **Mediterranean Flatbread** combines a light, crunchy texture with fresh toppings that make it ideal for sharing. Among the specialties, the **Prawn Pesto Pizza Without Prawn** still manages to capture the essence of the sea through its aromatic pesto base and perfectly baked dough.

Desserts are equally delightful, with the **Carmela’s Tiramisu** offering a rich espresso flavor balanced by velvety mascarpone, and the **Panna Cotta** presenting a smooth, creamy finish to the meal. The **Banana Dessert** brings a playful sweetness, perfect for those who enjoy a lighter option, while the **Nutella Latte** adds a cozy, chocolatey note to round things off.

To complement it all, the **Red Sangria** brings a burst of fruity flavor that pairs beautifully with both pizza and pasta, completing a dining experience that is as comforting as it is indulgent.
