When it comes to comfort food with a smoky twist, Northern Smokes offers a menu that's both satisfying and mouthwatering. Located at 371 Old Kingston Rd #12, Scarborough, ON M1C 1B7, Canada, this restaurant specializes in slow-cooked smoked meats, offering a variety of sandwiches, platters, and sides that are sure to hit the spot. Whether you're in the mood for a savory brisket sandwich or craving something a bit more indulgent like mac and cheese, Northern Smokes has something for everyone.

Sandwiches

One of the highlights of the Northern Smokes menu is their selection of sandwiches, each crafted with attention to detail and packed with flavor. The Pulled Brisket Sandwich is a crowd favorite, featuring tender, smoky brisket that's perfectly seasoned. For those who love a little heat, the Spicy Pulled Brisket Sandwich is the way to go - it brings a kick of spice without overwhelming the taste buds. If you prefer something with a unique twist, try the Apple Chipotle Brisket Sandwich, where the sweetness of apple combines beautifully with the smoky chipotle for a memorable bite. The Corned Beef Sandwich and Corned Beef Sandwich on Rye are also excellent choices, offering a classic deli-style experience with a Northern Smokes twist.

Sides

No great meal is complete without a few perfect sides to balance out the main dishes. The sides menu at Northern Smokes is packed with comforting choices that complement their smoked meats wonderfully. French Fries are crispy and golden, the perfect snack or side to any sandwich. For a richer option, the Mashed Potatoes are smooth and creamy, a great match for the smoky flavors of the brisket. If you're looking for something a bit more decadent, the Scalloped Potatoes will hit the spot, with layers of creamy, cheesy goodness. And of course, the Mac and Cheese is a must-try - creamy, cheesy, and oh-so-satisfying. To round it all off, you can't go wrong with a serving of Creamy Coleslaw, which adds a refreshing crunch to your meal.

Plates and Platters

If you're after a more substantial meal, the plates and platters at Northern Smokes are the way to go. The Brisket Plate features a generous portion of their signature smoked brisket, served with your choice of sides for a complete meal. If you're in the mood for something with a bit of a twist, the Beef Back Ribs Plate and Dino Short Ribs Plate are packed with flavor and fall-off-the-bone tenderness. The Korean Short Ribs Plate is another unique offering, available in both 1/2 lb and 1 lb portions, delivering a delightful mix of sweet and savory that will satisfy your cravings for something a little different.

Smoked Meats

At the heart of the Northern Smokes menu are their delicious smoked meats. The Angus Brisket is a standout, with its rich, smoky flavor and melt-in-your-mouth texture. For a more traditional take, the Corned Beef Brisket brings the classic flavors of corned beef to the table, while the Montreal-Style Smoked Brisket offers a slightly different style, with its distinct seasoning and tender texture. If you're looking for something a bit out of the ordinary, their Beef Bacon (Uncooked) is a real treat for meat lovers. And of course, their Beef Back Ribs are always a great choice for those who enjoy smoky, tender meat with plenty of flavor.

Drinks

To wash it all down, Northern Smokes offers a selection of refreshing beverages, including Water, a variety of Cans, and Bottled Drinks, perfect for quenching your thirst after enjoying a delicious, smoky meal.

With so many delectable options on the menu, Northern Smokes is a must-visit for anyone craving authentic smoked meats and hearty comfort food. From the rich flavors of their sandwiches and platters to the perfectly cooked sides and meats, this restaurant truly offers a unique dining experience that's sure to satisfy.
