Petite Boucherie, located at 14 Christopher St, New York, NY, offers a menu that beautifully captures the essence of French cuisine with a modern twist. Whether you're stopping by for a casual brunch or a more indulgent dining experience, the menu has something to please every palate. Here's a closer look at what you can expect when you dine at this charming spot in the heart of New York City.

For brunch, Petite Boucherie's Hors D'Oeuvres are a perfect start to your meal. The Soupe À L'Oignon is a classic French onion soup that will warm you up with its rich, savory broth topped with melted cheese and a hint of

sweetness. If you're a fan of charcuterie, the Pâté De Campagne is a must-try. This country-style pâté is beautifully seasoned and pairs wonderfully with crusty bread and pickles. For those who enjoy something a bit more daring, the Prime Steak Tartare is a tender, flavorful dish made from finely chopped raw beef seasoned with mustard, capers, and herbs. If you're in the mood for something more adventurous, try the Les Escargots (12 Pcs), where tender snails are served in garlic butter - a true French delicacy. For a lighter option, the Yogurt Parfait offers a refreshing, slightly sweet contrast to the savory starters, with layers of creamy yogurt, granola, and fresh fruit.

Moving on to the Salades, Petite Boucherie offers both classic and unique choices. The Salade César is a familiar favorite, with crisp romaine lettuce, rich Parmesan, and the perfect amount of dressing, all topped with crunchy croutons. The Salade Mesclun Et Croquettes De Chèvre brings together the fresh greens of mesclun and crispy goat cheese croquettes, offering a delightful balance of textures and flavors. If you're looking for something with a smoky edge, the Magret Fumé Et Frisée combines tender smoked duck breast with frisée lettuce, creating a satisfying, slightly bitter bite that pairs beautifully with the richness of the duck.

For egg lovers, the Les Oeufs section has some mouthwatering options. The Le Basic features perfectly scrambled eggs served with a side of crispy bacon and toast, offering a simple yet satisfying start to your day. The Eggs Benedict and Eggs Norwegian are classic brunch choices, with poached eggs and rich hollandaise sauce over English muffins, with the Norwegian version offering a delightful smoked salmon twist. For a hearty option, try the Steak Aux Oeufs, where a tender steak is paired with eggs cooked to your liking. The Toast Á L'Avocat offers a lighter alternative, with creamy avocado spread over toasted bread, topped with a perfectly fried egg - a modern favorite.

When it comes to Les Sandwichs, Petite Boucherie serves some irresistible choices that will leave you craving more. The Chèvre sandwich features smooth goat cheese paired with fresh vegetables, making it a great option for those who want a vegetarian option. The Le Croque Monsieur and Le Croque Madame are two variations on the classic French grilled sandwich, with layers of ham and cheese, and a fried egg added on top for the Madame version. The Sandwich Au Boeuf offers a rich, meaty filling with tender beef that's been perfectly seasoned.

For the Plats Principaux, there's something to suit every appetite. The French Toast is a deliciously sweet choice, with golden-brown toast served with syrup and fresh fruit. If you're in the mood for something lighter and more Mediterranean, the La Salade Niçoise is a vibrant salad with fresh tuna, olives, eggs, and green beans - perfect for a light yet flavorful dish. The Boucherie Burger is a hearty, indulgent option, featuring a perfectly cooked patty topped with all the classic burger fixings. If you're craving something more sophisticated, the Poulet Aux Champignons is a tender chicken dish served with a rich mushroom sauce. For those who enjoy classic French fare, the Prime Steak Frites is a standout - a beautifully cooked steak paired with crispy fries that never disappoint.

Petite Boucherie's menu is a delightful exploration of French-inspired dishes, all made with fresh ingredients and a focus on quality. Whether you're in the mood for a light bite, a comforting brunch, or a more filling main course, this menu offers a little bit of everything, making it the perfect spot for any occasion. Each dish is carefully crafted to ensure every bite is full of flavor, and with the warm, inviting atmosphere of the restaurant, it's easy to see why Petite Boucherie is a beloved New York City dining destination.
