Pirate Chips offers a unique and exciting dining experience with a variety of mouthwatering dishes that blend comfort food with a touch of creativity. Among the standout items on the menu is the **Deep Fried Nanaimo Bar**, a deliciously crispy twist on the beloved Canadian dessert. If you're looking for something lighter, the **Gluten Free Halibut and Chips** provides a crisp, tender alternative, while the classic **Fish N Chips** offers a traditional favorite that never

disappoints.

For those with a sweet tooth, the **Deep Fried Cheesecake** and **Deep Fried Chocolate Bar** offer indulgent treats that are sure to satisfy your cravings. The menu also includes refreshing options like the **Caesar Salad** and **Beet Salad**, perfect for balancing out the heavier dishes.

Seafood lovers will appreciate the **Cod and Chips**, **Buffalo Prawns and Chips**, and the comforting **Clams Chowder**. If you're feeling adventurous, the **Bacon Cheeseburger and Chilli Fries** is a bold choice, combining juicy bacon and melted cheese with a hearty serving of chili fries. The **Peanut Butter Bacon Cheeseburger** is another must-try, offering a unique flavor combination that's both savory and sweet.

For a truly filling experience, the **Cod and Pulled Pork Mac N Cheese** is a rich and savory delight, while the **Bannock Taco** presents an intriguing fusion of flavors. The **Hand Breaded Calamari** and **1 Piece Cod Fish and Chips** are perfect for those craving light, crispy snacks. If you're in the mood for something different, the **Empty Plate of Fish and Chips** adds a playful twist to the traditional dish, and the **Fried Ice Cream** is a refreshing, crunchy dessert option to end your meal on a sweet note.

Whether you're stopping by for a quick bite or a full meal, Pirate Chips has something to satisfy every taste and craving.
