When it comes to comfort food with soul, Vesuvio Pizza's menu is a delightful adventure from the very first bite. You're greeted with warm, garlicky bliss through their signature Garlic Knots—available in a trio or six-pack—and the Cheese Bread that melts perfectly with each pull. Craving more crunch? The Mozzarella Sticks and fresh Bruschetta start your meal off with crispy satisfaction.

For lighter bites, their salads shine with simplicity: the House Salad, Caesar, and Greek are all offered in small or large portions, balancing crisp greens with bold dressings. Soups like the hearty Pasta Fagioli and the creamy Tomato Basil bring warm Italian comfort straight to your spoon, and the Four Cheese Grilled Sandwich? Simply unforgettable.

Pizza is clearly the star here, with Neapolitan-style offerings like the classic Margherita and the vibrant Caprese stealing the spotlight. You can customize your own masterpiece with sizes from a personal 10" to a hearty 14", or go bold with their Specialty Pizzas—especially the indulgent Stuffed Vesuvio Pizza, a fan favorite.

The Subs category brings its A-game too: the Caprese Sub is a fresh twist, while the Meatball and Chicken Parm versions are pure Italian-American heaven. And don't skip the pasta! From classic Spaghetti & Meatballs to Mamma's Lasagna and baked Ziti, every dish is rich, homey, and generously portioned.

Calzones and Strombolis like the Vesuvio or Catania styles are sealed pockets of cheesy goodness. On the side, try a serving of Meatballs, Sausage, or Mixed Veggies for extra indulgence. Round out your meal with sweet endings like Cannoli, Tiramisu, or the playful Zeppole.

Even kids are spoiled for choice, with pasta, pizza slices, and buttery penne built just for them. Wash it all down with a cold Pellegrino or your favorite soda. Vesuvio's menu? A full-on flavor celebration.
