If you're craving a taste of seaside comfort food with a Southern twist, Sue's Fish & Chips delivers a menu that's both familiar and full of delicious surprises. From the first glance, it's clear this spot knows how to satisfy serious appetites with a variety of crispy, golden-fried favorites.

The **Variety of Combination plates** are a crowd-pleaser — think Regular Steak Fingers for those who love hearty, beefy bites, or dive into the Family Fish and Family Shrimp options perfect for sharing. The Large Steak Fingers combo brings generous portions and that satisfying crunch you crave with each bite.

Chicken lovers aren't left behind. The **Regular Chicken Tenders** are a highlight under the Chicken Dinners section — juicy, well-seasoned, and fried to perfection, they strike the perfect balance between crispy coating and tender meat.

Seafood purists will appreciate the **Combo selections** featuring Fish, Shrimp, and Scallops — each cooked to a golden hue and bursting with flavor. Whether you're in the mood for flaky fish or plump, sweet shrimp, these combos let you mix and match your favorites.

Don't skip the **Side Orders**, either. The Deluxe Bacon Cheeseburger with French Fries is indulgent in the best way — smoky bacon, melted cheese, and a juicy patty all nestled in a soft bun. Other burger options like the Deluxe Hamburger & Fries and Deluxe Cheeseburger & Fries offer satisfying bites with every order. For those who love it simple, the classic Hamburger is always a solid choice.

At Sue's Fish & Chips, every dish feels like a comfort food celebration — made for sharing, savoring, and coming back for more. It's a menu built on flavor, familiarity, and that unbeatable homemade touch.
