Start your culinary journey with some delectable snacks to kick off your meal. The **Edamame**, lightly salted and served warm, is a perfect snack to nibble on while you decide what's next. If you're in the mood for something with a bit more crunch, the **Gyoza** (Japanese dumplings) are a must-try, filled with savory meat and crisped to perfection. For those who love fried chicken, the **Chicken Karaage** is an absolute treat. Its crispy exterior and juicy, tender meat inside will have you coming back for more. If you prefer a hearty dish to get your appetite going, the **Steak Don** (Rice bowl) offers a filling combination of perfectly grilled steak served over fluffy rice, making for a satisfying starter or main dish.

Now, let's talk about the highlight of the menu: the ramen. The restaurant takes pride in offering an impressive variety of **ramen** options that cater to different tastes. The classic **Shoyu Ramen**, with its rich and savory soy-based broth, is a great option for those who enjoy traditional flavors. For a lighter, more delicate flavor, the **Shio Ramen**, made with a salt-based broth, offers a refreshing and clean taste. If you're looking for something with a bit more spice and a creamy texture, the **Tantan Men** is perfect for those who crave a little heat, paired with a bold sesame-based broth. On a hot day, or if you just want to experience something unique, the **Yuzu Cold Ramen** is a refreshing option that combines chilled noodles with the tangy citrus flavor of yuzu, creating a cool and delicious contrast.

To customize your ramen and elevate the flavor experience, Ramen Zuzutto By Ikemen offers several **add-ons**. For a rich, flavorful boost, try adding an **Ajitama** (soft-boiled egg) to your bowl of ramen, which will enhance the overall taste with its creamy yolk. You can also choose extra **noodles** for those who can never get enough of the chewy, comforting strands. Whether you're a fan of pork or prefer chicken, you can also add **Pork or Chicken** to your ramen for an extra protein punch, making your bowl even more satisfying.

When it comes to drinks, Ramen Zuzutto By Ikemen has a selection of refreshing beverages to pair with your meal. Enjoy a cold **Pop** to cleanse your palate between bites, or opt for a calming **Pot of Matcha Tea**, which is perfect for sipping while enjoying your meal. For something a little more indulgent, their selection of **Juices** will quench your

thirst and complement the flavors of your meal.

For those who want to enjoy a drink with a bit of a kick, the restaurant offers an excellent variety of **alcoholic beverages**. The crisp and refreshing **Sapporo** 8 oz beer is a classic choice that pairs wonderfully with ramen. If you prefer a larger serving, you can go for the **Asahi 330 ml** for more of the same smooth, light beer experience. For a more traditional Japanese touch, the **House Sake** 10 oz is a great option to sip alongside your meal, enhancing the flavors with its subtle and warming taste.
