Starting with the Hot Appetizers, you can kick off your meal with simple yet delightful Edamame, lightly salted to perfection. For an elevated taste, the Garlic Edamame adds a bold kick with roasted garlic that enhances the natural flavors of the beans, making it a must-try for garlic lovers.

If you're craving something refreshing, the Salad section offers two light yet flavorful options. The Seaweed Salad is a refreshing blend of textures with tangy, slightly salty seaweed mixed in a delightful sesame dressing. The Green Salad, on the other hand, features crisp greens with a simple yet satisfying dressing, making it a light and healthy choice to start your meal.

Of course, the star of the show at Hachi - Japanese Yakitori Izakaya is their Yakitori Menu, particularly the Chicken options. For a juicy and tender bite, the Chicken Thigh Skewers are a crowd favorite, grilled to perfection with a perfect balance of smoky flavor and tenderness. If you're looking to try something with a little more flair, the Umeshiso Yaki is a unique twist, where chicken is grilled with a tangy ume (plum) sauce and refreshing shiso (Japanese basil), creating a deliciously complex flavor profile that stands out.

For those who enjoy a cold appetizer, the Sashimi Roll is an excellent choice, offering a delicate mix of fresh fish with a burst of flavors in every bite. Another great option is the Beef Tataki, a dish featuring lightly seared beef that's thinly sliced and paired with a tangy soy-based sauce, creating a perfect balance between savory and fresh.

No Japanese meal would be complete without some quality Sashimi, and Hachi excels in this category. The Assorted Sashimi platter is perfect for those who want to sample a variety of fish, each piece fresh, vibrant, and expertly sliced. If you're a fan of salmon, the Salmon Sashimi (5 Pcs) is a standout, offering five pieces of tender, melt-in-your-mouth salmon that showcases the freshness and quality of the fish.
