As a seasoned food reviewer with a love for hearty, flavorful American comfort fare, stepping into Simple Simon’s Pizza was like unlocking a flavor-packed treasure chest. Their **pizza lineup** is where the magic begins—each option a bold personality. The **Create Your Own Pizza** lets your cravings take the lead, while the **Supreme Pizza** is a riot of colors and toppings. Meat lovers won’t be disappointed with the **6 Meat Pizza** or the all-star **Big 10 Pizza**, and for those who can’t get enough of that savory bite, the **Triple Pepperoni Pizza** brings the heat.

Then come the **Calzones and Stromboli**—a crispy, golden hug of dough enveloping melty fillings. The **Original Calzone** is classic and satisfying, but the **Supreme Calzone** takes it up a notch with rich, meaty, veggie-loaded layers. Don’t miss the **Great Stromboli**, which packs a punch of seasoned meats, and if you're feeling adventurous, the **Cheeseburger Calzone** is a fun, crave-worthy twist.

Wing fans can choose between **Traditional** and **Boneless Wings**, with sauces that coat each bite to perfection. Complement these with the **Garlic, Alpine, or Jalapeño Breadsticks**, or switch things up with sweet **Cinnamon Breadsticks**—a perfect endnote or in-between indulgence.

Their **sandwiches** hit the spot too: from the savory **Ham and Cheese** to the hearty **Club Sandwich**, each one is crafted with care. The **Turkey** and **Veggie Sandwiches** offer lighter, equally satisfying alternatives.

For something unique, the **Big 10 Bowl** and **Pizzadilla** blend creativity with flavor—think comfort food with an exciting edge. Cap your meal with the warm, gooey **Apple Cinnamon Pizza**, and you’re in for a treat.

Need to feed a crowd? Their **Simple Sampler** and **Super Sampler** catering packages deliver a feast that speaks to every craving.
