If you're the kind of person who sees dessert not just as a treat, but as a celebration, then the menu at Scoops is pure bliss. From the first glance, you know you're stepping into flavor heaven. Let's start with their scoops — a true

homage to ice cream artistry. The Hard Scoops come in bold, nostalgic flavors like Maple Walnut and Rum Raisin, alongside fun, indulgent options like Moose Tracks and Cake N Batter. Captain's Chocolate is a standout: rich, deep, and unapologetically decadent.

Softserve fans aren't left out either. Scoops delivers that creamy swirl magic with a playful mix-and-match vibe thanks to a creative array of toppings. Think crushed cookies, rainbow sprinkles, and gooey sauces that turn every cup into a custom masterpiece.

But it doesn't stop there. The Sundaes are a show all their own. The Brownie Sundae is stacked high with warm, fudgy brownie pieces under layers of velvety ice cream, while the Banana Sundae is a bright, refreshing twist on the classic split — fresh banana slices nestled among rich scoops and drizzled with sweet syrups.

Then there's the gelato — a cooler, silkier cousin to traditional ice cream, bringing gourmet vibes with flavors like Black Cherry Zinfandel (yes, it's as elegant as it sounds), Fresh Coconut, and the tropical zing of Passion Fruit. Tiramisu and Dolce De Leche round out the list with European charm.

Every bite at Scoops feels curated — not just for your sweet tooth, but for your soul. Whether you're a classic scoop purist or a sundae adventurer, this menu is an invitation to indulge your dessert dreams.
