Tucked away at 10 Downie Street in the charming heart of Stratford, Ontario, **Features Restaurant** is a local favorite that makes you feel right at home from the moment you walk in. The warm, cozy atmosphere pairs perfectly with a **Features Menu** that captures the best of comforting classics and hearty Canadian fare. Whether you're here for a relaxed breakfast, a quick lunch between strolls downtown, or a casual family dinner, the menu is crafted to please every palate and age group.

Starting the day right at Features means diving into their breakfast selection, which feels both nostalgic and indulgent. The **Pancake Stack** arrives golden and fluffy, with a drizzle of maple syrup that embodies Ontario's sweet tradition.

Families especially love the **Mickey Mouse Pancake**, a playful favorite among kids that keeps little diners smiling. If you prefer something heartier, the **Mini Paulet French Toast** offers buttery slices with just the right touch of cinnamon, perfect alongside a cup of hot tea or rich hot chocolate. The **Kids Breakfast** option ensures even the youngest guests start the morning happy, making this spot a go-to for family brunches.

As lunchtime rolls around, the **Features Menu** keeps its homestyle promise alive. The **Grilled Cheese & Fries** brings simple comfort with crispy edges and a melty middle-an ode to diner-style perfection. For something more substantial, the **Kids Cheeseburger & Fries** or **Chicken Fingers & Fries** come generously portioned and satisfyingly crisp. Every bite feels freshly made, reflecting the care that goes into each plate. Pair your lunch with a **Soft Drink, Bottled Juice**, or a comforting **Tea or Hot Chocolate**, and you have the kind of midday break that resets your day completely.

The **Side Orders** category deserves its own moment of praise. Whether you're customizing your breakfast or adding something extra to lunch, options like **Bacon, Ham or Sausage**, and **Peameal Bacon Toast** bring that classic diner aroma that fills the air with irresistible warmth. The **Bruschetta Mix** offers a fresh, tangy contrast, while the **Oatmeal** serves as a wholesome choice for those seeking a lighter start. Each side is thoughtfully portioned, letting guests build their own perfect plate from the **Features Menu**.

But the real showstoppers come from the **Burgers & More** section. The **Cheese Burger** and **Cheese & Bacon Burger** are timeless favorites-juicy, grilled to perfection, and served with that unmistakable homemade taste. The **Firecracker Burger** adds a burst of spice for adventurous eaters, while the **BBQ Pork Belly Burger** is pure indulgence: smoky, tender, and layered with sweet-salty flavor that melts in your mouth. And if you're craving something crispy yet refined, the **Nashville Hot Honey Chicken Sandwich** strikes a perfect balance between fiery heat and sticky-sweet comfort. It's the kind of sandwich that makes you pause between bites just to appreciate its crunch and bold flavor.

Every element of the **Features Menu** feels designed to bring people together over good food. The chefs don't overcomplicate things-they let quality ingredients and homestyle preparation shine. You can taste the difference in every meal, from breakfast pancakes to late-afternoon burgers. There's something heartwarming about sitting at Features, sipping tea, and watching the small-town charm of Stratford unfold outside the window.

Ultimately, dining at Features Restaurant isn't just about filling your plate-it's about experiencing genuine hospitality. The **Features Menu** reflects that spirit perfectly: approachable, flavorful, and made with care. It's a place where comfort food meets community, where every dish-no matter how simple-feels like it was made just for you. Whether you're a local regular or a visitor exploring Stratford's vibrant downtown, this is one spot that truly lives up to its name: full of **features** worth savoring, from the first sip of coffee to the last bite of your burger.
